Hi. This is Congressman Sherrod Brown.

If you earned less than \$34,000 this year, you may qualify for the Earned Income Tax Credit – the EITC.

You could receive up to \$4,200 when you file your taxes. The EITC can help you pay bills, save for college or buy a car.

Community tax preparers can file your taxes for **free**, and help you get all your money back, with no extra fees or costs.

Call the Lorain County Tax Assistance Campaign at xxx-xxx-xxxx for more information about the EITC or to find a tax preparation site near you.
