Equity & Opportunity

The Hatcher Group supports clients working to advance equity and opportunity through advocacy, marketing, and smart communications. We bring innovative strategies and unmatched expertise in policy and practice to ensure success for nonprofit, foundation, and government clients.

RECENT SUCCESS STORIES

Provided comprehensive message development, media training, and digital marketing that helped Ayuda exceed its fundraising goal, dramatically increase social media traffic, and expand its outreach to low-income immigrant communities.

Improved access to vital tax credits for low-wage workers through social media ads that garnered 865,000 views, videos that amassed 750,000 views, Capitol Hill briefings that averaged 150 attendees, and communications support for advocacy groups.

Elevated Nourish Now's work to help expand its mission of ending food waste and hunger through event planning, digital marketing, fundraising, and media outreach that earned coverage in *Cooking Light* magazine, *The Washington Post*, ABC, and CBS.

Extended the impact of Spotlight on Poverty and Opportunity, the premier source of information on poverty in the U.S., achieving 167,000 page views and 21,000 Twitter followers, producing weekly e-mail newsletters, and creating powerful videos.
